

Temple Miracle.

Angels on high, were hovering in the
Temple sky.
Rejoycing with all their minds,
To see this divine sight.
Patrons streaming through the temple doors,
here in Manti.
With the name-tickets in their hands,
From degeaced family members in the
Spirit world to wait and strive,
for them to reach into eternal life.
There w ag a call that unforgettable
Monday,
And people of the stake responded,
With enthused hearts and willing hands,
Beginning at 7 am in the morning,
Their time to spend, in Heavenly Father's
House, as it was, fleeing to the feet
of Jesus Christ w ho will have cried,
by seeing the thousands in a flight.
The ones in wheelchairs and walking canes,
also tried to make their way.
To love the Prince of Peace, in these
last days. How touching and moving ,
a fore spell , a sign, of the great
Millenium Day.
